As an extra bonus for FleetWorks customers, your employees are now eligible to receive discounts and rewards on food and grocery items via Thorntons FleetRewards program. FleetRewards key fobs can be given at your discretion to company employees for their personal use. Employees will be able to access Thorntons website at (www.thorntonsinc.com) to view FleetRewards promotions and general updates.

How does

FleetRewards work?

When an employee purchases any of our promotional items and swipes their FleetRewards key fob, their purchase is captured and logged into a frequency program (for example, buy 5 fountain drinks (32oz.) and get the 6th one free). They can redeem their rewards as earned!
